

SO57203

1/72 PRV-16 Radar Antenna Grid for ZZ Exclusive Modell kit

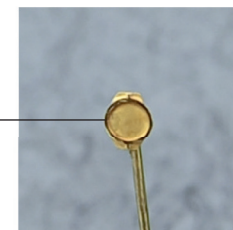

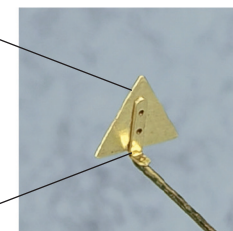

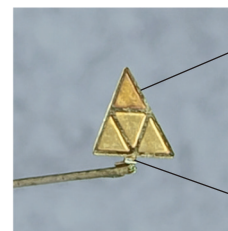

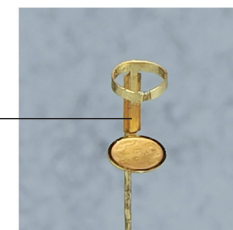

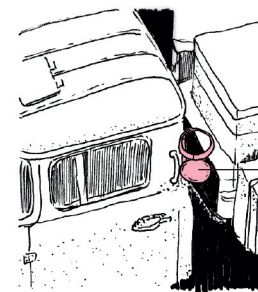

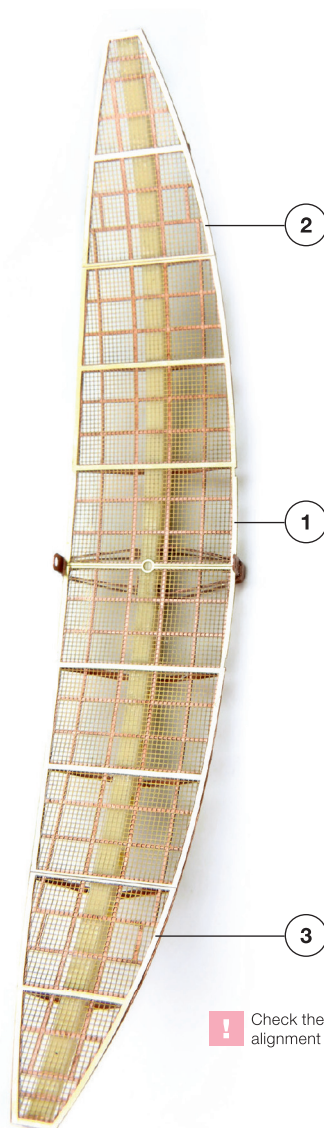

Shelf
Oddity

This photo-etched detail set is designed as an update to ZZ Modell 72022 PRV-16 Radar multimedia kit.

This set contains one representation of antenna grid plus two versions of retro-reflectors used throughout Eastern Europe (see our SO5722 manual) and the standard Soviet fire extinguisher rack. Use your references for their placement.

Please note that antenna grid parts are very fragile and need to be treated with the utmost care.

! Check the arrows on the fret for the proper alignment of antenna grid parts (1-3).
